I recommend your approval of the attached request for Hazardous Duty Pay for

25X1

[Redacted] AF/Personnel, the use of explosives. Per telephone conversation with [Redacted] it has been confirmed that "live" ammunition was used during training.

25X1

Although [Redacted] does not designate weapons training as being eligible for hazardous duty pay, payment for this category was approved by the D/OP in 1982. This change is currently being coordinated for inclusion in [Redacted]
